SUPPOSED TO HAVE DROWNED HIMSELF IN LICKING RIVER

Schultz Wood Is Thought to Have Jumped From Bridge Into Licking River at Covington—Was Popular Business Man.

Several days ago Mr. Schultz Wood, formerly of this city, disappeared from his home in Covington and since that time relatives and officials have been making an effort to locate him.

It is now said that relatives are of the opinion that he ended his own life by jumping from the Licking river bridge between Covington and Newport on the night of his disappearance. His cane and hat are said to have been found on the bridge and passerby say that they saw a man throw himself from the bridge to the river below.

Mr. Wood was a very popular gentleman. He was one of the most industrious men ever in Maysville and had a great many friends here. Because of his close attention to business his nerves had given way and for some years he has been a terrible sufferer. Last summer he was at the home of relatives in Maysville for several months. He took treatment here for a while which seemed to do him good. He returned to his home in Covington, however, and became despondent. He is said to have threatened to take his own life several times.

"POLLYANNA" PLEASURES

The dramatization of Mrs. Porter's very popular book, "Pollyanna" given at the Washington Opera House last night pleased the very large audience. The company was a very strong one and the various characters were faithfully portrayed. The audience last night shows that Maysville and Mason county people are hungry for good shows and Manager Russell is doing his best to secure some of the better shows for the balance of the season. The "Pollyanna" company left here for Lexington.

MUCH TOBACCO BEING SHIPPED HERE

Within the past week there has been quite a bit of tobacco shipped into Maysville from other nearby markets to be resold. A large quantity of tobacco has been arriving over railroad in hogheads and the steamers too have delivered much here.

STORE TO CLOSE WHILE STOCK IS ARRANGED

Mellvau, Knox & Diener Making Arrangements For the Opening of Their Big Sale on Next Wednesday Morning—Col. Harper in Charge of Sale.

Mellvau, Knox & Diener's big furniture store will be closed all day Monday and Tuesday while all of the salesmen make arrangements for their big annual \$50,000 sale of high class furniture. The store doors will be thrown open at 9 o'clock Wednesday morning and the big sale will be on in full blast for fifteen days over which period the sale is planned to extend.

Again this year the sale is in charge of that prince of sales managers, Colonel Harper, who for the past several years has had complete charge of these big annual sales. Colonel Harper says that his sale this year will be bigger and better than ever before.

All of the high class furniture in the big store is being put in shape for the sale. Sale tags are being put on every piece of furniture and no goods will be sold at sale prices until the big merchandise slaughter is officially begun at 9 o'clock Wednesday morning.

Remember the store will be closed all day Monday and Tuesday.

WEEK OF PRAYER OFF BECAUSE OF INFLUENZA

Flemingsburg, Ky., January 11.—The week of prayer to have been held at the Methodist Episcopal Church, South, this week was postponed on account of influenza, which has again become very prevalent.

BOLSHEVISM RAPPED BY THE REPUBLICANS AT COMMITTEE MEET

Republican National Committee Men Rap Socialism, Bolshevism and Government Ownership—Roosevelt Is Lauded

Chicago, January 11.—Declaring for universal female suffrage by constitutional amendment and applauding speeches condemning Socialism, Bolshevism and Government ownership, the Republican National Committee yesterday conferred on Chairman Will H. Hays, who opened the meeting with prayer, what was taken to be full power to conduct affairs of the party in its efforts to defeat the Democrats at the next national election.

Resolutions laudatory of Theodore Roosevelt were adopted as introduced by John T. King, of Connecticut, and plans were made at the suggestion of Chairman Hays to erect a permanent monument to the deceased by popular subscription. The Democratic national administration was denounced by committee men for what was termed its tendency to Socialism and for placing control of the Government departments in the hands of the minority of the South, while the majority of the North paid 90 per cent. of the taxes as worded by Gov. Beekman, of Rhode Island.

It was declared by Chairman Hays and others that it was too early to consider a candidate for President, but many names were mentioned in the informal talk of committee men, while a separate meeting of Illinois Republicans made arrangements to persuade Gov. Frank O. Lowden to announce himself as a candidate.

Two women took part in the deliberations as holders of proxies, and their assistance was sought in all the doings of the meeting.

Mrs. Medill McCormick, of Illinois, chairman of the Woman's Executive Committee, read a long report outlining plans for women's organizations in every State and for the active participation of women in the national affairs of the party.

Gov. Beekman, of Rhode Island, referred to the recent victory of the Republicans in the congressional elections and said that the people of the North were tired of paying 90 per cent. of the taxes and having it expended by the minority of the South which dominated the Democratic National Administration.

Gov. Burnquist, of Minnesota, denounced anarchy and Socialism and said the hope for the country for the future was in the election of a Republican President. He spoke of the activity of the Nonpartisan League in the Northwest and said the sympathy of the Democratic party had been with that organization.

Gov. Harding, of Iowa, criticized the Democratic National Administration for its extravagance and inefficiency and referred to W. G. McAdoo, Federal Director of Railroads, as "the Crown Prince."

"This is too big and too great a country to be ruled by one corner of it," said Governor Harding. "I hope the Republican Congress will see that the railroads are returned to their owners without delay."

Congressman Royall Johnson, of South Dakota, who appeared in the uniform of an army officer, and others made similar addresses.

The committee gave Chairman Hays a vote of confidence and authorized him to name an executive and other committees at his discretion.

The committee settled a contest over the national committee ship in Louisiana, which has been pending since the last Republican National Convention in 1916, by seating Emil Kuntz, a negro. L. C. Labit was the unsuccessful contestant. Both factions agreed to abide by the decision of the committee.

COMMUNITY TRAINING CLASS

The Community Teacher Training class books have arrived and can be secured at the different Sunday Schools on Sunday morning. Books are sold at cost, 50 and 75 cents each. Rev. B. B. Bailey and Rev. W. B. Campbell are the instructors of this class which will meet in the annex of the Christian Church on Tuesday evenings. Every person interested in the instruction of children whether teachers in the Bible Schools or not and every person desiring a better idea of the Bible History and teaching should avail themselves of the advantages of the class instruction. The study of the Bible will be the first part of the course.

\$31.00 IS WEEKLY AVERAGE OF LOCAL TOBACCO MARKET

Colonel William Mitchell, Supervisor of Sales, Says Maysville Market Was Never Better Than at the Present—Demand For Good Leaf Is Keen.

The Maysville Looseleaf Tobacco market sold 2,783,340 pounds of tobacco this week at a general average of \$31.00 per hundred pounds according to the weekly report of Supervisor William Mitchell. Prices ranged from \$10 to \$80 per hundred and bidding was lively. Mr. Mitchell says the Maysville market was never better. His report follows:

"The Maysville Tobacco Market closed the first full week Friday with 2,783,340 pounds sold at a general average of \$31.00 per hundred. Weed sold from \$10 low to \$80 high and the buyers seemed very anxious to purchase it at any price.

"All grades are very strong. Tobacco is being delivered to the market in good condition and the farmers are reaping a benefit from the manner in which they handle it. The local market is in as good condition right now as it has ever been since the first looseleaf house was opened in Maysville.

"No grower can complain on this market and the warehousemen are all well pleased with the way things are starting off. There is plenty of room at all of the houses just now. Sales will be resumed Monday morning at 9 o'clock and the first sales will be held at the Home and the Independent houses.

W. MITCHELL, Supervisor
Maysville Looseleaf Tobacco Market.

SHIPPING LAW TO BE TESTED

Frankfort, Ky., January 11.—A writ of prohibition was filed in the Court of Appeals today to restrain Circuit Judge William Young, of Morehead, from trying the case of the Commonwealth against the Adams Express Company. The company has been indicted ten times for delivering intoxicating liquors in local option territory to known inebriates. The purpose of the writ is to get a construction of the statute prohibiting the delivery of intoxicating liquors to inebriates by express companies.

MANY INTERESTED IN Y. M. C. A. MOVEMENT

District Secretary Zerfoss, of the Lexington Y. M. C. A., who has been in Maysville for the past several days, has created much interest in the Y. M. C. A. among local people and it is more than likely that at some near future date a survey of the business men and residents of the city and county will be made to learn whether or not a local organization is desired here.

LAST WEEK OF PRAYER SERVICE

The last of the Week of Prayer services will be held this evening at the First M. E. Church, South, in West Second street. The sermon will be by Rev. A. F. Stahl, of the Christian Church. Dr. J. J. Dickey preached at the Third Street M. E. Church Friday evening to a very appreciative audience.

FUNERAL SATURDAY

The funeral of Mr. Robert Helvestine, of the Orangeburg neighborhood, who died Friday at his home, was held Saturday afternoon and burial was made in the Maysville cemetery.

TOBACCO GROWER HAS MYSTERIOUSLY DISAPPEARED HERE

Lewis County Man Who Delivered Tobacco to the Maysville Market, Cannot Be Located—Mules Left in Warehouse Stable Since Jan. 3.

Chief of Police Harry A. Ort was Friday evening asked to assist in locating John Bailey, of near Petersburg, Lewis county, who very mysteriously disappeared here during the past week.

Bailey, who is a farmer and teamster, delivered a crop of tobacco for a neighbor to the Farmers and Planters warehouse company in this city on Friday, January 3, and since that time his team has been in the warehouse's stables where it has been cared for expecting his return at any time.

Relatives have become worried about his disappearance and the police have been asked to assist in locating him here. Some fear that he has met with foul play or has been drowned in the Ohio river.

Bailey did not collect at the warehouse for the tobacco he delivered here for his neighbor and which was sold. The police are making a very thorough investigation in an attempt to trace his movements while in Maysville.

ARRESTED ON VAGRANCY CHARGES

Louis Romine, of the East end, was before Judge John L. Whitaker in Police Court this afternoon on a charge of vagrancy. The case was continued until Monday on account of the failure of some witnesses to appear. Complaint was lodged against Romine, who, it is charged, has failed to properly provide for his family.

ATTRACTIVE NEW AUTO BODY

The Maysville Tea and Coffee Company has had their automobile truck completely overhauled and it appeared on the street today with a very attractive new body. This progressive firm officered by hustling young business men is forging to the front.

The health authorities announce that the health condition in Mason county now shows considerable improvement and that if the present cold, clear weather continues the situation will soon be well in hand.

Regular services will be held at the Second M. E. Church, South, Sunday at the usual hours.

FEW SEEM INTERESTED IN NIGHT SCHOOL

No One Has Yet Expressed Desire to Attend a Night School. Maysville High School Year—Meeting to Be Held Tuesday.

A meeting of the Educational Division of the Maysville Chamber of Commerce will be held at the Chamber of Commerce building on next Tuesday afternoon at which time it will be determined whether or not a night school will be operated in Maysville during this season.

Some time ago it was announced that if enough persons showed a desire to take a special night course such a school would be established. The Educational division holds its meeting on next Tuesday and if at that time there are not enough people interested in the course to make it a success the plan will be dropped.

Up to the present time no one has showed a desire to take this course by communicating with the Chamber of Commerce and it appears very much as though the plan will be discarded for this year. If there are those who desire to improve their education by attending a night school they should make the fact known at the Chamber of Commerce immediately.

BIG PROGRAM IS BOOKED

Manager T. M. Russell returned from Cincinnati yesterday and has booked the following big program for the coming week:

Monday: Norma Talmadge in "The Forbidden City," a Select production.

Tuesday: Harold Lockwood in "Square Deceiver," a Metro production.

Wednesday: Barbara Castleton in "Heredity," a World's production.

Thursday: Edna Bennett in "Marriage Ring," a Paramount production.

Friday: D. W. Griffith's production, the man who produced "Birth of a Nation" and "Hearts of the World" in his latest "The Greater Love." The price will be 25 cents.

Saturday: Harry Morey in "King of Diamonds."

A splendid picture every evening.

Mr. L. S. Zerfoss, of Lexington, who is here in the interest of the Y. M. C. A. is a former Superintendent of the County Schools of Trimble county and a former teacher of Prof. and Mrs. W. J. Caplinger, with whom he visited while here.

G. M. Presidio, pointman, rector gen.

Hines' appointment, the Adoo said. Hines was assistant under McAdoo. Railroad Administration, counsel and within two made assistant director gen.

Hines is a Kentuckian, and time was a special attorney for Louisville & Nashville R. R. He was general counsel and chairman of directors of the Atchison, Topeka & Santa Fe R. R.

At the time he entered the Railroad Administration, a year ago, he was in general law practise in New York.

Hines has been the actual acting head of the railways under McAdoo. He has been rated one of the greatest lawyers in the country, and his executive ability is held high in railroad circles.

The appointment of Hines is looked upon by many as forecasting the administration's policy toward the railroads. Hines is known to favor the return of the roads to private ownership, but with a large measure of government control.

BURIED HERE SATURDAY

The body of the late L. R. Key, who died several days ago at his home in Newport, was brought here Saturday morning and taken direct to the Maysville cemetery for burial. Mr. Key for many years lived in the Stone Lick neighborhood. He was a son of the late John R. Key.

The many local friends of Rev. J. F. Ruggles, will be very glad to know that his son, Joseph, who has been very ill with pneumonia at the home of his father in Lewis county, is now considerably improved.

Mrs. Jewel Teegarden returned from Brooksville Friday where she has been visiting Mr. and Mrs. Charles Jett. They accompanied her home and attended the show "Pollyanna."

SECRETARY OF EDUCATION IS FAVORED HERE

Educational Division of Maysville Chamber of Commerce Endorses Plan to Give Education a Place in the Cabinet.

The following communication was read at the recent meeting of the Chamber of Commerce Directors and upon motion, the Secretary was instructed to communicate the endorsement of the organization to Senator Hoke Smith.

MRS. SANFORD'S MESSAGE TO WORKING WOMEN

Laurel, Miss. — "Eight years ago I was suffering with pains and weakness caused by a female trouble. I had headaches, chills and fevers, and was unable to do my work part of the time. Lydia E. Pinkham's Vegetable Compound was recommended to me and I took twelve bottles of it, and my health has been good ever since. I am able to run the machine and do dress-making besides my housework. You are at liberty to publish my letter if it will help some poor suffering woman." — Mrs. J. C. SANFORD, 1237 Second Ave., Laurel, Miss.

Thousands of women drag along from day to day in just such a miserable condition as was Mrs. Sanford, or suffering from displacements, irregularities, inflammation, ulceration, backache, headache, nervousness, or "the blues."

Such women should profit by Mrs. Sanford's experience and try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, and find relief from their sufferings as she did.

For special suggestions in regard to your ailment write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their long experience is at your service.

ment of the organization to Senator Hoke Smith.

Since America has had thrust on it the distinction of being both the guardian of the world's peace and a model for its democracies, we should, while the nation is just now recovering from its baptism of fire and undergoing that transition in policies and ideals which are formulated so rapidly in times of stress, establish a Department of Education at Washington with a Secretary who shall occupy a seat in the President's Cabinet.

This war has laid bare tremendous tasks to be done both at home and abroad that must be accomplished through education and educated leadership. It took the necessities arising from the reconstruction after the Civil War to establish the Bureau of Educational as one of the bureaus of the Department of the Interior. The War Department has recently tried to bridge the stream of educational needs by its startling reports on illiteracy, on the character of the residue in the melting pot, on human scrap heap and even on the need of trained teachers to meet the new demands. "Democracy, be it ever so brave, ever so laborious, ever so generous, is helpless without leaders." The educational problems affecting the country are too vital to be left to mere chance or even to mere recommendations but require the establishment of a regular Secretary in the executive department of our government.

Therefore, be it resolved that the Maysville Chamber of Commerce favor the enactment into law of the United States Bill 4987 to create a Department of Education under a cabinet officer and providing for federal assistance to the states in vocational, physical, and other forms of education.

Further be it resolved that our Secretary be directed to send a copy of these resolutions to Senator Hoke Smith, Chairman of the Educational

Committee in the Senate.

STILL MOBILIZED

Jill, who go to High School, will have in 1919. That does not mean what it did in 1918. The new army is one of peace and

on children from twelve to sixteen years old are being trained for the United States Garden Army, which is going to produce million dollars worth of vegetables next summer for home consumption. At that time the country will be sending about two million tons of food to Europe each month. It will help the government immeasurably in keeping its promise to starving Europe if we have plenty of home-grown products to eat here. We do not send vegetables and fruit abroad. They will have to take the place, at our tables, of the things that are exportable.

Fifteen trained organizers are now in the field to build up this garden army. It will be composed of boys and girls. They will be taught their gardening as a regular part of their school program.

Secretary Lane and the Department of the Interior have mapped out the plans, aided by the Bureau of Education at Washington, D. C. It is not an untried experiment. This year a million and a half of the war gardens of the country were made by school children, who are enrolled at Washington as soldiers of the Garden Army. On an average, each child raised ten dollars worth of vegetables.

In the schools, the subject will be studied as seriously as arithmetic and other "indoor" lessons. Teachers will be given intensive courses in garden work; garden supervisors will be appointed, and lesson leaflets about gardening will be written by experts "called to the colors" by the Bureau at Washington. The gardens will be in the city parks, country fields, and home yards.

This movement is one of the good results that come from the evil of war. All Americans have a new ideal of usefulness. Many of the things they learned to do in war will be advantageously done in peace. War gardens will become victory gardens. The food problem is the one great question that did not end with the signing of the armistice, and that will not end with the conclusion of peace.

The housewives who have observed the requests of the Food Administration and have saved food by economical buying, careful serving, and changing recipes to suit conditions, are now asked to encourage their young sons and daughters to enlist in the United States Garden Army. It will be healthful work for the children and will make them more useful citizens. It will also increase the food in America's storehouse and enable us to fulfill the Food Administration's promise to send 20,000,000 tons of food to a famished Europe.

TROOPS SELECTED FOR EARLY RETURN

Washington, January 10—Assignment for early convoy home of additional units of the American expeditionary forces comprising about 10,000 men was announced yesterday by the War Department.

Included were the 131st, 132d and 133rd Field Artilleries and the 111th Ammunition train of the 36th Division, consisting of Texas and Oklahoma troops.

Other units named in today's list are the 89th Aero Squadron and Medical detachment; 11th and 12th Battalion Headquarters and 4th, 15th, 35th, 37th, 32d, 23rd, and 34th Companies, all of the 20th Engineers; 61st Field Artillery Brigade Headquarters; 321st Field Battalion, Signal Corps; Ordnance Casual Company, No. 9; Quartermaster Casual Companies, Nos. 1 and 2; Base Hospital, No. 18; 34th, 35th, 36th, 72d, 76th, 77th, 78th, 79th, 80th, and 81st Evacuation Ambulance Companies.

HOME SERVICE INSTITUTES

The Civilian Relief Department of the American Red Cross, Lake Division, has set the dates for the new series of Home Service Institutes to be given to train workers for service in the various phases of Red Cross Home Service.

R. J. Colbert, director of the educational program for the department, announces February 15, the initial date for the course to be given in Cleveland, (O.) Applications for enrollment are to be to Miss Ruth Lyman, 2182 East 9th Street, Cleveland. The Home Service Institute at Columbus begins January 21 and at Cincinnati, January 28. Applications should be made to Dr. James Hagerty, 1000 State University, Columbus, and F. M. Thrasher, University of Cincinnati, for these

ATION OF KENTUCKY DISTRICTS OFF FOR PRESENT

January 9—The plan of internal revenue districts for two has been post-

poned by Commissioner Roper. It was the intention of the commissioner to put this plan into execution shortly, but as an order from the President would be necessary to this end, and as the President is now in France, the matter has been held up.

Another reason for postponing action is that the big spring tax collection is at hand and a reduction of the districts as to number at this time might cause confusion in the collection of taxes.

This plan, which was originated entirely by Commissioner Roper, was opposed by Senator-elect Stanley, and as a result of this opposition confirmation of the nomination of Charles Cronan at Louisville has been held up by Senator McRitt. It is believed, however, that Cronan's confirmation will follow shortly.

DOUBT DISAPPEARS

No One in Maysville Who Has a Bad Back Should Ignore This Double Proof.

Does your back ever ache? Have you suspected your kidneys? Backache is sometimes kidney ache. With it may come dizzy spells, Sleepless nights, tired, dull days, Distressing urinary disorders. Doan's Kidney Pills have been endorsed by thousands. Are recommended here at home. You have read Maysville proof. Read now the Maysville sequel. Renewed testimony; tested by time. Mrs. John Burns, West Second Street, says: "I was subject to severe spells of backache and other kidney trouble. They would come on every three or six months and there were times when I was confined to bed and rendered helpless. The quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have never had such severe attacks since." (Statement given February 13, 1914.)

NO TROUBLE SINCE
On November 15, 1916, Mrs. Burns said: "I have the same good words of praise for Doan's Kidney Pills today as ever. I have not needed a kidney medicine since I took them." Mrs. Burns is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mrs. Burns had—the remedy backed by home testimony. 60 cents at all stores. SOLDIER LETTERS

Mrs. Lizzie Burbage is in receipt of the following letter:

Pat-a-Masson, France, Nov. 30, 1918.

My Dear Mother:

It affords me great pleasure to write you these few lines to let you know that I am in the best of health under the circumstances. Hoping when this letter reaches you it will find you well and in the best of health and getting along nicely.

We are having some very funny weather for it rains for a few days then it gets pretty cold. But we are protected from the weather. We live in houses at present and we have a nice time by ourselves. I had a pretty close call the third time that I went over the top, for the shells were falling fast all around me. But we got what we went after so that is the reason the war has come to a close.

The day that the armistice was signed the Germans came out of their trenches and shook our hands and said they were glad that it was over for they were tired to death. We moved to this town and it seemed very funny for us to go to bed without the music of the game. When I get home I will hardly know what to do with myself.

Give my love to all, hoping to hear from you soon. I remain your loving and devoted son.

PRIVATE HARRISON BURBAGE.

Mr. and Mrs. W. S. Dice of Fernleaf are in receipt of the following letter from their son, William Robert, who has been in France for several months:

American Expeditionary Forces, December 4, 1918.

Dear Mother and Father:

Will drop you a few lines to let you know that I am well and in the best of health, and I hope you are the same. Mother have you been getting any mail from me? I have not been getting any but just keep on writing. I will get it some day. I have seen wonderful sights since I left home. We were on the water for nine days, landed at Brest. We staid three days. The people are certainly nice to U. S. soldiers over here.

camp, send them my address and have them to write to me. How is Harry and Edna? Tell them I am going to write to them just as soon as I get time. How is "Sailor" and sister, Nell? Tell them I would love to see them all.

Mother don't worry about me for I have plenty to eat, and a good place to sleep. I don't know when we will start for the States. I don't think it will be long, and then I will have lots of interesting things to tell you. Keep on writing for a letter from home is always welcome.

How did Dad's crop turn out? Tell Dad to worry along and do the best he can for Bill will be home some day. Mother be sure and tell John Adams and all the other boys to write to me. How is Dimmitt Henderson and Little Hilbraith? Tell Gertrude and Leo to help Dad all they can till I get back.

Well mother I want you to take good care of yourself and don't worry about me. Tell Elizabeth to write as often as she can. Mother I know your Xmas will not be a happy one as none of us will be with you, but then we will trust in the Lord that we will all be together another Xmas. I will write you a longer and more interesting letter when I get time. I will close wishing you a merry Xmas, and a happy New Year.

Mr. and Mrs. W. J. Neal of the West end have received the following letter from their son, now in France:

Somewhere in France, December 14, 1918.

Dear Mother and family it is with great pleasure I now take in trying to write you a few lines this p. m. letting you know this leaves me in the best of health and hope when this reaches you, all will be the same. Mother you cannot imagine how much of the world I have seen since leaving home August 15 and I do not suppose I have seen half of it yet. This sure has been a great trip for me.

We left New York on the 13th of November and arrived at London, England, the 23rd. I expected to get sea sick but never. Have been traveling ever since we left the ship.

I do not know but I think the next move we make will be to come back to the States.

The world seems so strange over here. This is pay day, I have a pocket full of money and haven't any money either. I still have Roy Nauman and Russell Muse with me. Will Phillips is over here somewhere and Bob Emmitt I guess he has been mus-

tered out by this time.
We are in the Southern part of France. It doesn't get cold here but rains all the time, it is like a swamp around here, we wear hip boots all the time. I cannot figure why they are keeping us over here as we haven't done anything since we came over.

The nearest town is Bordeaux and we are at Camp Bassen.

There is plenty of good wine over here to drink.

Mother do not worry about me as I am o. k. and will be home some day before very long I hope.

I guess brother Tom is having a fine hunt this season, I sure would like to be there with him. I received a letter from Tom and Violet since I came over, it sure is great to get mail over here. Tell them all to write to me. Give them all my love also wishing them a merry Christmas and a happy New Year.

Well as I have told you all I know for this time I will close, wishing you a merry Christmas and a happy New Year. From your devoted son,
BEN.

BE CAREFUL WITH YOUR STAMP BOOK

Do not paste the old green \$5 stamps of 1918 in the new folder. If you do you lose a year's interest, for the 1918 stamps mature in 1923, while the new ones will mature in 1924. If you have certificate partly filled with 1918 War Savings Stamps, save it as it is and get a new folder for the new stamps.

The National War Savings Stamps Committee is planning a new departure for 1919. This is to issue fully paid-up certificates in denominations of \$100, \$500 and \$1,000, to be issued without stamps, for sale to those who wish to invest larger sums. They will

be sold on the same plan, the \$100 certificate selling for from \$83 to \$84, depending on the month in which it is purchased; the \$500 certificate for from \$415 to \$420 and the \$1,000 certificate for from \$830 to \$840.

This certificate will have all the advantages of a Liberty Bond and none of the disadvantages, such as coupon clipping. As the War Stamps and certificates will pay 4 per cent. interest, compounded quarterly, the total income from them will be about the same as that of a Liberty Bond—4½ per cent.

Thirty million persons purchased War Savings Stamps in the United States in 1918.

FULL OF GINGER

When the sale started at the GROWERS HOUSE Thursday morning it was plain to be seen there was to be something doing, for with the OLD TIMERS lined up for the big factories — T. A. Duke for the American, Buck Clift for the Reynolds, J. C. Burwell for Liggett & Myers, J. B. Strickland for the J. P. Taylor Co., Raymond Heizer for Heizer-Tuck and Will Walker for his own factory—each eager for the Fine Tobacco that was on the floor, it was not long until the fur began to fly, and Engineer Rucker, with a full head of steam, soon had everybody on the move, and even the Pin Hooks caught the Flew and assisted in making a market that will stand as a Record Breaker, and those who were fortunate enough to be present, in years to come, will tell their grandchildren about it.

Look in the daily report for the number of crops selling at high averages, to which we might have added quite a few more. No wonder we smile.

or Warns Food Increase of Prices.

Administrator Fred M. issued the following bulletin: County Food Administration for the state:

has been reported to this office by many merchants throughout the state are of the impression that the "maximum margins" on sale of food commodities by retailers to consumers have been withdrawn. These margins are still in effect and retailers who do not adhere to them lay themselves liable to the penalties prescribed by the Food Administration for not observing its orders.

A rumor has also come to this office to the effect that wholesale and retail food dealers are charging any price they see fit for wheat mill feeds, while it is true that the margins prescribed in our Bulletin No. 76 on sales of wheat mill feeds by dealers to retailers, and by retailers to consumers have been withdrawn the rule limiting the profit of wholesale dealers in feeds to a net earning of 4 per cent. on their operations in feeding stuffs is still in effect. Likewise is the rule limiting the profit of retail food dealers when selling to consumers to a net return of 6 per cent on their year's operations in feeding stuffs.

Please pass this information on to your dealers and caution them against profiteering. Our inspectors are in the field, and will undoubtedly check up all dealers.

FRED M. SACKETT, Federal Food Administrator for Kentucky.

REPUBLICAN IS HEAD OF STATE TAX COMMISSION

Frankfort, Ky., January 11.—James A. Scott, of Pikeville, a Republican, was elected chairman of the State Tax Commission yesterday. He has been a member of the board since its creation, having been appointed to the place by Governor Stanley. Sen. Ringo of Owensboro, the new member of the commission who is a Democrat, declined the chairmanship at this time with the statement that he thought the chairman of the commission should be a member who was entirely familiar with the workings of the commission. Inasmuch as he is a new member and not so familiar with the work of the commission as Chairman Scott, he said he felt that he could not do the commission nor himself justice by taking the chairmanship.

COLORED NEWS

An afternoon tea was given Thursday by Mrs. J. H. Meadows of 922 William street in honor of Miss Pearl Warner of Cincinnati. Covers were laid for twelve.

Man Who Claims His Home Is In Maysville, Is Arrested in Cincinnati on Charge of Shipping Liquor Into Dry Territory.

Robert Houston, aged 47, who said his home was in Maysville, several days ago told detectives in Cincinnati that he was shipping liquor into the state of Indiana. He was unaware they were officers. They met him on another occasion and he said that he was taking whiskey to Shelbyville, Ind. The officers shadowed Houston for several days and say that they saw him check a suitcase and a shotgun case at the Cincinnati Union depot. The officers examined the suitcase and the shotgun case and found them both packed with whiskey. Houston was arrested and held for the United States authorities.

He was taken Saturday morning before a U. S. Commissioner and denied his guilt. A hearing of his case was set for January 21.

Houston is not known in Maysville. His name does not appear in the city directory although there were several families of Houstons who lived here several years ago.

CIRCUIT COURT CLOSES FOR DECEMBER TERM

Judge Newell Closes Court Saturday Morning—Several Orders Go On For the Last Day—Legal Matters in Tangled Suit Decided.

The December term of the Mason Circuit Court was finally adjourned Saturday morning after Judge Newell had made several orders on cases pending and had heard arguments on the legal side of the much tangled suit of Thomas Herron's Administrator, the Equitable Trust Co., vs. The Bank of Maysville, guardian of the decedent's only child.

Herron was killed at the government dam and suit was brought against the contractors for damages. The contractors settled the case out of court by a compromise. The guardian of Herron's only child contends that the child is entitled to the entire estate. They contend that Herron's wife had been untrue to her marriage vows and was not entitled to participate in the settlement.

After hearing the arguments Judge Newell decided that so far as the law was concerned the child was entitled to the entire estate but the facts must be produced later to substantiate the guardian's contentions and upon these facts the case now rests.

EDUCATORS TO DISCUSS TIME-SAVING PLAN

State Superintendent Calls Meeting of City School Heads to Plan to Make Up Lost Time—Maysville Idea To Be Explained.

Prof. V. O. Gilbert, State Superintendent of Public Instruction, has called a meeting of educators and City Superintendents of Schools to be held in the city of Louisville on next Thursday to devise some means of making up the large amount of time lost in the schools because of the influenza epidemic.

The great success which is being met in Maysville with the plan of City Superintendent Caplinger has attracted wide attention over the state and Prof. Caplinger has been urged by Superintendent Gilbert to attend the meeting on next Thursday and explain the Maysville idea.

Other educators will express their opinions about the matter and it is expected that my means of the meeting some definite plan can be decided upon by which all of the schools of the state can make up a great part, if not all, of the time-lost because of the "flu."

SUIT INTERESTS THE OIL FRATERNITY

Judge A. M. J. Cochran in Federal Court for the Eastern District of Kentucky Friday ordered a final decree to be entered in the suit of H. J. Ziegler and Eli Howell against James B. Hopkins and others that will be of interest to oil promoters and others in the Eastern Kentucky oil fields. The order enjoins defendants perpetually from drilling or removing gas or oil from fifty acres of land in Lee county. Defendants are likewise enjoined from interfering with plaintiffs in drilling for or marketing oil and gas taken from the land from which the plaintiffs are held to be the owners. The suit was hard fought on both sides and has been in litigation for two years.

NAT B. SEWELL GETS BIG STATE POSITION

Appointed to Succeed Judge S. W. Hager on Workmen's Compensation Board.

Frankfort, Ky., January 11.—Selecting, as he believed, the best man for the place, Governor Stanley today appointed Nat B. Sewell of London a member of the workmen's compensation board. Sewell will fill out the unexpired term of the late Judge S. W. Hager of Owensboro, and in April he will be reappointed for a term of four years.

Who will succeed him as state inspector and examiner is the question now uppermost. Senator Seldon R. Glenn of Eddyville was here today and declined the appointment. He cannot afford to give up his business at Eddyville to accept.

Sewell is one of the representative mountain Democrats in this administration. He has been a Democratic leader in the Eleventh district for twenty years. He is an educator, editor, publisher, lawyer, mine operator, and although he is not a member of the legislature he was very instrumental in bringing about the reform school book legislation in this state. As state inspector and examiner he has made an enviable record, and his friends expect him to maintain his high standard of work on the workmen's compensation board.

NEXT SESSION OF COURT IS IN MARCH

The Mason Circuit Court will hold its next regular session of court beginning the fourth Monday in March. All of the other terms of court begin on the first Monday in the month except the spring term which always begins on the fourth Monday. As there is more vacation between the winter and the spring terms than between any of the other terms, the spring term is usually the largest of the year.

LIBRARY REPORT

During the month just closed the Public Library had 704 visitors and 448 books were taken out.

Mr. Roger Devine, of Lexington, was here Friday to attend the funeral of his aunt, Mrs. Henry Otto.

WILL IS PROBATED

In the Mason County Court this afternoon the will of the late Rice B. Rigen, of the county, was produced and offered for probate. The due execution of the paper was proven by the testimony of Messrs. W. D. Cochran and A. M. J. Cochran and it was admitted to probate. By the terms of the will the bulk of Mr. Rigen's estate is left to his daughter and his grandchildren. That portion left to his grand children is left in trust with the Bank of Maysville.

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadersville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

I cannot say too much for Black-Draught for it is the finest laxative one can use. The doctor's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it. NC-135
